Greetings and Hello – I hope all is well.

Thank you for reaching out. When the proposed plan is released there will be an aggressive outreach campaign including press releases. I don't have a date as of yet.

I have your name as a community contact person who will receive notification to share dates of the public meeting dates, and links to the proposed cleanup plan.

Keeping you posted.

Thank you again for reaching out.

Greetings and good morning Alanna,

How are you?

So excited to reach out and hear how is the Portland Harbor Clean - Up project? Just curious, how can I help?

Thank you and many blessings,
